## **ABOUT JEFF SMITH**

**JEFF SMITH** was born and raised in the American Midwest and learned about cartooning from comic strips, comic books, and watching animated shorts on TV. After four years of drawing comic strips for The Ohio State University's student newspaper and co-founding Character Builders animation studio in 1986, Smith launched the comic book *BONE* in 1991. Between *BONE* and other comics projects, Smith spends much of his time on the international guest circuit promoting comics and the art of graphic novels.
